

ADOPT-A-PHONE

Program

In 2005, the New Hampshire Telephone Museum opened its doors to its first visitors. Since then, thousands of people have enjoyed the vast collection and many have asked "How can I help?"

We are pleased to announce the Adopt-a-Phone program! Now you have an opportunity to help preserve history by directly caring for an artifact in our permanent collection.

Benefits of your **tax-deductible** donation include:

Recognition as an Adopt-a-Phone participant on the NHTM website and in our main gallery and the satisfaction of knowing that you are preserving an important part of history!
